

WORK SOCKS

Standard	N/A
Category	N/A
Size Range	UK 6 - 11, 11 - 14 EU 39 - 45
Colour	Black
Slip Resistance	N/A

WORK SOCKS: Polyester/cotton blend mixed with other fibres provides durable breathability whilst retaining shape wash after wash. Soft comfort fit non-slip elasticated cuff. Stretch-fitting in the leg with key ventilation zones provides comfortable performance. Reinforced heel cushion with shaped fit absorbs impact and maintains durability. Extra cushioning around the toes gives comfort whilst wearing steel or composite capped footwear. Machine washable at 40°C keeping you fresh on the job. Suitable for use in protective shoes and boots.

FEATURES

- ◆ Work socks for use in protective work boots.
- ◆ Polyester/Cotton Blend
- ◆ Machine Washable
- ◆ Non-Slip Cuff
- ◆ Leg Support
- ◆ Reinforced Toe
- ◆ Heel Cushion

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
